Subject: Diversion of 2.26 ha of forest land in Sangam RF of Atmakur Range in Nellore Division for up gradation of NH-67 from Km 707+500 to Km 708+880 to two lane with paved shoulders in the State of Andhra Pradesh under NHDP-IV in favour of Executive Engineer (R&B), NH Division, Kadapa -reg

Sir,

Please refer to the State Government’s letter No.4661/Section -II/2016 dated 03.09.2016 and online application No. FP/AP/ROAD/19123/2016 seeking prior approval of the Central Government in accordance with Section’2’ of Forest (Conservation) Act, 1980 for the above mentioned project.

After careful consideration of the proposal of the State Government, I am to convey Central Government’s approval in-principle (Stage-I) under Section’2’ of Forest (Conservation) Act, 1980 for Diversion of 2.26 ha of forest land in Sangam RF of Atmakur Range in Nellore Division for up gradation of NH-67 from Km 707+500 to Km 708+880 to two lane with paved shoulders in the State of Andhra Pradesh under NHDP-IV in favour of Executive Engineer (R&B), NH Division, Kadapa, subject to the following conditions:-

(i) Legal status of the diverted forest land shall remain unchanged

(ii) The demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters by the User Agency in consultation with the DFO concerned at the project cost before Stage II approval.

(iii) The Compensatory Afforestation (CA) shall be raised and maintained by the State Forest Department over 5 ha identified Degraded forest land in Compt. No. 131, Daggavolu RF, Venkatagiri Range at the cost of user agency.

(iv) Identified CA land and approved CA scheme shall not be changed without the prior approval of the Central Government.

(v) The State Government shall charge the Net Present Value of the diverted forest land measuring 2.26 ha from User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA’s in Writ Petition (Civil) No.202/1995.

(vi) Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency. User Agency shall furnish an undertaking to this effect.

(vii) The funds received from the User Agency towards Compensatory Afforestation and Net Present Value under this project shall be deposited in the respective bank account of the Telangana State CAMPA. The User Agency shall compulsorily deposit the CA and other levies only by generating challan through the Ministry’s website.

(viii) The layout plan of the proposal shall not be changed without the prior approval of the Central Government. User Agency shall furnish an undertaking to this effect.

(ix) The user agency shall dig trenches on either side of the road in order to avoid any further encroachments on the road side.

(x) The construction of culverts/bridges, if any, over the natural streams/rivers/canals, should be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper the movement of wild animals.

(xi) Trees standing in the diverted area shall be felled strictly as per the requirement with prior permission of the Divisional Forest Officer concerned.

(xii) There will be speed breaker on the road within the wildlife areas/wildlife crossings, along with frequent signage reminding cross of speed limits and the damage of wildlife hits.

(xiii) The user agency shall develop an integrated green corridor along the proposed road at the project cost as per the guidelines of the National Green Highways Mission.

(xiv) The muck shall not be dumped outside the road. The muck generated in the earth cutting if any, will be disposed of at designated dumping sites and in no case, the muck/debris will be disposed of in the forest areas.
(xv) Roadside cuttings and fillings which require engineering support shall be provided as per the instructions of the DFO so as to stabilize the soil.

(xvi) The State Forest Department shall translocate the trees, wherever feasible instead of felling at the cost of user agency.

(xvii) The total forest area utilized for the project shall not exceed 2.26 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. User Agency shall furnish an undertaking to this effect.

(xviii) The forest land proposed for diversion shall under no circumstances be transferred / sub leased to any other agency, department or person without prior approval of the Central Government.

(xix) The approval under the Forest (Conservation) Act, 1980 is subject to the clearance under all other Acts, Rules/Regulation and Guidelines as may be applicable to such project. User agency and the State Government shall ensure compliance to provisions of all the Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project.

(xx) Any other conditions that the Central Government or Addl. PCCF(Central) of Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency.

(xxi) The user agency shall submit the annual self compliance report in respect of the above conditions to the State Govt. and to the Regional Office, regularly.

(xxii) In the event of failure to comply with any of the above conditions the user agency is liable for penal action as decided by the Additional PCCF (Central), Regional Office, Chennai.

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. Transfer of forest land to User Agency shall not be effected prior to the issue of final approval. This in-principle approval shall be valid for a period of 5 years. In the event of noncompliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Yours faithfully,
